

BUSINESS REFERRAL SCHEME

Invite a friend and save money in these challenging times...

You invite a friend...

We are proud of the services we deliver. We hope you can share how happy you are with our services with your friends and other local businesses.

Your friend signs up to HR Now...

When your friend signs their company up to HR Now services, you both receive a discount!

You both receive a 15% discount

You: 15% off your invoice that follows their first invoice.

Your friend: 15% off their first two invoices.

"At our outset Continuum took a conscious decision to specialise in helping our clients automate data processes and to partner with local, trusted owner-operated experts for all non-core activities.

We started with our own strong values about building a strong inclusive workforce and how everyone could benefit. HR Now listened and ensured our values reflected this spirit in our contracts and handbook while keeping us Compliant. We would be happy to recommend HR Now".
